[1]To graduate with a degree in Human Services, students must earn a "C-" or better in all courses within the major and have a cumulative overall GPA of 2.5 or higher)

[2]ETSU requires at least 50 hours to be completed at a senior institution. Certain courses in the A.A.S. and the Human Services Core will fulfill some of a group's requirements. ETSU elective hours are listed to meet the minimum 50 hour requirement. Confer with a Human Services advisor as to the number of elective hours needed.

Be sure to check with ETSU advisor to determine availability of ETSU classes. Not all classes meet every semester.

USING INFORMATION TECHNOLOGY proficiency required, either by passing a proficiency exam or CSCI 1100 completion. See the website http://www.etsu.edu/uit for proficiency exam or call (423) 439-6964 for additional information to register.

Transfer students with 50 or more transferable hours are required to take half the intensives requirements; two writing, one oral, and one using information technology. You must take these courses at ETSU as transfer credit does not satisfy the intensive requirements. In this articulation agreement, these courses are indicated by: Writing (W), Oral (O), and Using Information Technology (T). **NOTE: Intensive courses are built into ETSU program requirements. They are not additional hours.**
