Transfer Credit Policy

For transfer courses, only the credit hours are posted to the student's transcript. No grades are recorded for the transferred credit. Quality points for transfer credits are not included in the Milligan College grade point average. Milligan College does not accept any transfer credit for courses at other institutions for which a grade below a C- was earned. The minimum number of credit hours earned at Milligan toward a bachelor's degree shall be 45.

After matriculation, for undergraduate students in traditional programs, no transfer credit will be allowed for: Freshman and Sophomore Humanities Core Courses (HUMN 101, 102, 201, 202); Freshman and Sophomore Composition Courses (COMP 111 and 211); Christ and Culture (BIBL 471); Old and New Testament Survey (BIBL 123, 124).

Milligan College will award transfer credit, subject to approval of the Registrar's Office, for a maximum of 16 semester hours of dual enrollment credit (college or university credit earned concurrently with high school enrollment). Additional (non-dual enrollment) college credits may be earned prior to enrollment at Milligan College with the approval of the registrar.

The transfer of credits after matriculation requires advance advising and approval. Matriculated students should complete a Transfer Course Approval form available in the Registrar's Office, obtaining the signature of a registrar and, in some cases, the student's adviser.

A student transferring from another college must be in residence during the three semesters (may include one eight-week summer session) immediately preceding graduation and must successfully complete not fewer than 45 of the 128 required semester hours through instruction at Milligan College. A minimum of one-third of the hours within a major must be earned at Milligan College to receive a degree from Milligan. If a student wishes to complete a minor at Milligan, a minimum of one-third of the hours within that minor must also be earned at Milligan College.

Policy of Transfer Credits Counting toward Cumulative GPA

Students entering Milligan College will not have transfer grades applied to their cumulative GPA. Therefore, for scholarship purposes, grades for transfer work (including summer courses taken at other colleges) will not count toward the cumulative GPA. Students who wish to improve their cumulative GPA over the summer in order to have scholarships reinstated must take summer classes at Milligan College.
